Summary

I am a recent graduate of a full-stack web development bootcamp, where I gained hands-on experience with HTML, CSS, JavaScript, and popular frameworks such as React. I am passionate about creating visually appealing and user-friendly interfaces, and I have experience with responsive design and cross-browser compatibility. I am driven to continue learning and expanding my skills in web development and eager to apply my knowledge in a professional setting. I am excited to join a team that values collaboration and innovation, and where I can continue to grow as a web developer.
